

New Grad Nurse Residency Program Informational Sessions

When: **Tuesday, June 20, 2017**

Where: Dameron Hospital Annex
445 West Acacia Street
Stockton, CA 95203

The **New Grad Nurse Residency Program** is a robust practical and simulation-based education and training program that's specially designed to facilitate new graduate registered nurses in initiating professional practice in the acute care hospital setting.

Dameron Hospital's new graduate program is a blended learning format which integrates didactic, simulation-based and clinically-guided hands on learning opportunities.

Target Audience: we are looking for baccalaureate-prepared nurses to join our patient care team.

Informational session agenda:

- New Grad Nurse Residency Program overview
- Networking with potential hiring management teams
- Hiring process overview

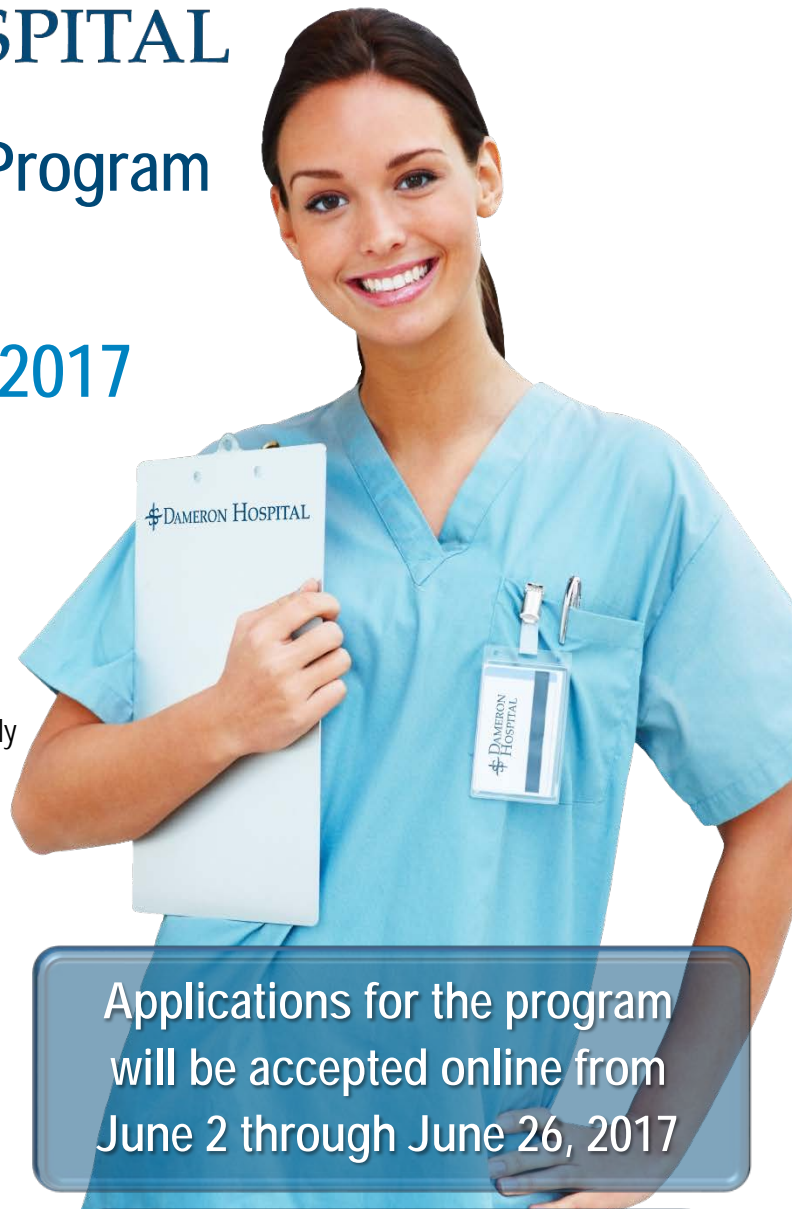

PLEASE NOTE: Be sure to bring 4 copies of your current resume to the informational session.

Applicants are also encouraged to apply before attending the informational session to facilitate scheduling of early interviews.
